Order thereon.—

The Government

It is the Garna of the
Mutt, as the Duamdar

the Jagher, to whom
the Commission should
issue. The Garna may
assign the powers
invested in him to the
D^r Amildar as his
Agent. The nomination
of the Agent and the
assignment of the
powers to him should
be reported to the D^r

Letter
No. 252. dated
31st July 1891 to the Dy. Commr, Haddu
Distt.

Letter from the Dy. Commr.

of ~~Bangalore~~ Haddu District
dated 25th Nov. 1891, No. 442,
regarding the powers of the Singeri
Amildar in revenue matters.

Order

The orders dated 31st July/91
are clear. They directed that
pending the ^{formal} investiture of
the Matt with the powers of
a Dy. Commr. under the last
proviso of Section 99 of the Land
Revenue Code, the Amildar
of Singeri may continue to
exercise ^{all} the ~~same~~ powers that
Amildars usually exercise
elsewhere for the collection
of revenue, provided similar
powers have been exercised
by the Matt without interrupt
during the 30 years preceding
the introduction of the Land
Revenue Code. ~~These orders~~
~~should at once be given~~
~~effect to and no restriction~~

should be placed upon the
Matti's exercise of
such powers. The Dy. Commr.
should submit a complete
list of ~~such~~ ^{the} powers with
which the Matti may be
formally invested, specifying
the ~~provisions~~ ^{sections} of the Land
Revenue Code under which
they come.

2. The papers forwarded
with the Dy. Commr's letter No.
105 of the 9th June 1890 clearly
show that the Matti's exercise
of powers in the matter of
the cultivation of the lands
in the Jaghire villages
and of the collection of
their revenue is almost coeval
with the grant of the Jaghire
itself; at any rate, these
powers have been exercised
from a time long prior
to the introduction of the
Rent Recovery Rules of 1869.
The preparation of a complete list
of a clear definition of the powers
exercised by the Matti in the past
and the formal

The Dy. Commr is of
opinion that the
Sringeri Amildar

but ~~clearly~~ does not
consider it necessary or
desirable that the Matti
shd. at once be invested

proviso of S. 99 of the L.R.C.

But there is no existing pro-
vision of law under which

is only an agent of the Matti)

Pending the submission of

Sir,

With reference to the Chief Secretary's Docket No. 933 dated 27 February 1890, I have the honor to state that the Singeri Amildar who was called upon to report under what authority the powers were exercised submits copies of the following documents:-

1. A communication addressed to Sri Sachidananda Bharati Swami by the late Dewan Poor: mial in 1810-11 purporting that one Mallappa had been directed to look after the cultivation, collection and other duties under the orders of the Matt during

the absence of the Gurn at
Mypore.

2. Letter dated 1802 from the
late Dewan Pooniah to Kara-
simha Shastri, Parpattegar of
the Mutt, stating that default-
ers should be made to pay
the rent which was reported
to be in arrears, and that the
Koppa Amildar was under
orders to give the necessary as-
sistance.

3. Order from the late Dewan
Pooniah to the Amildar, Koppa
Hobli, dated 1807/8 - not to in-
terfere with the Ryots of the
Singeri 'Gime' as all the affairs
connected with the cultivation
of land and collection of Revenue
were being managed by the Mutt
authorities.

4. Letter from the late Nagar
Division Superintendent (Mr. Stokes)
to the Agent of the Mutt - date
1838. also to the same effect

as No 3.

5. From the late Superintena-
-ent Nagar Division to the Agent
of the Mutt - date - 1842 - about
the appointment of an Amin
for the transaction of Police and
Adalat duties.

2. Documents Nos 1-4 show
that the powers exercised by
the Mutt authorities in the manag-
-ement of the revenue affairs
of the Singeri 'Gime' have been
from time to time acknowledged
by the ruling authorities.

3. The detailed Survey of the
Singeri Jahaghis having been
recently completed and bound-
-ary Marks erected, the Amil-
-dar begs to represent that
all the powers mentioned
in Section 99 may be granted.

4. In these circumstances
the case appears to be one

Mysore District Office
dated Mysore 28 August

From

D. Namachal Rao Esquire
Deputy Commissioner

To,

The Chief Secretary to the
Government of Mysore

Sir,

With reference to your letter,
Camp No 250, dated 30th July last,
regarding the Revenue powers
now exercised by the Gelbandur
Jagirdar, I have the honor to
state, that I learn on local enquiry,
the Jagirdar exercises all the
powers of a Deputy Commissioner.
I also learn that the jagheer was
under Government management
from 1858, to June 1869, during which
period it was under the direct
control of the Superintendent of the

Ashragam Division, who not only exercised the powers which the present law contemplates to invest the jagirdar with, but also such other revenue powers as a Deputy Superintendent was exercising under the Regulations and Rules then in force. From the time the present jagirdar assumed management of his estate, he continues, I learn, to exercise all the powers which the late Division Superintendent was exercising.

2. Under these circumstances, I am of opinion that he may now be invested with all the powers contemplated by the Revenue Code, under the last proviso of section 99, as the jagirdar is virtually exercising them for the past 30 years.

3. The accompanying statement shows the powers which I recommend

now formally to be invested and those that may be invested after the introduction of the Survey Settlement.

I have the honor to be,

Sir,

Your most obedt. servant

Sir,

With reference to your letter
No. 252 of the 31st July last, and sub-
sequent reminders, I have the honor
to forward herewith the Vernacular
correspondence, ending with Springeri
Amildar's No. 31, together with a State-
ment attached thereto, embodying
particulars of various powers hitherto
exercised by the Matt.

2 The Amildar cites the Rent
Recovery Act (rather the Rules of
1st May 1869) as the authority on
which the Matt exercised some of
the powers (Vide Statement). The
Rules referred to by the Amildar
being of 1869, the powers exercised

under it ~~could~~ have been exercised
for more than 22 years (1869+22=1891),
though the Amildar has mentioned
them under column 4 of the Statement.

Further the Amildar has in his
Report No. 21 stated that there are no
proper references available in the
records, and that he has furnished
the Statement prepared from the
available references.

For these reasons I have not
ventured to direct the Jahagir Amil:
dar to exercise the powers referred to
in para 3 of your letter without
further orders of Government, though
I am of opinion that as requested
by the Amildar himself he should
be immediately invested with all
the powers exercised usually by
Amildars elsewhere.

As regards investing the
Jahagirdar with the power under

the Last proviso of Section 99 Land
Revenue Code, I don't consider
it necessary or desirable that he
should be invested at once.

I have the honor to be,
Sir,

I can't understand
 why there should be all
 this delay in vesting - was
 my D.C. was not connected

From

To
J. Ananda Rao Esq.
Chief Secretary to Govt.

Sir,

With reference to your letter
C No 250 of the 31st July last
to the D^y Comm^r of Mysore copy
of which was forwarded to me
with C No 251 on the subject of
the powers to be conferred on me
under the Rev Code I have the honor
to respectfully state that, as I have
already informed the Dewan I have
been since being put in charge
of the Jaghir, exercising, under the
authority of the late Chief Comm^r
the powers of a D^y Comm^r. I find
that unless I go through the ^{whole} records
of my Office extending over a period
of above thirty years I shall not be
able to make out a list of the

Yrll

94 Commr's powers which were exer-
cised as now classified by the Revenue
Code. I mean that such a Hank will
be necessary to find out the actual
instances in which any of ~~these~~ powers
have been exercised. I would with res-
pect submit that such a list will not
after all serve to any practical pur-
pose. As the Dewan is aware the Yelandur
Jaghir is a large tract of country
having a population of more than
twenty thousand people. All such matters
as will present themselves for settlement
^{elsewhere} will also arise in the Jaghir and for a
successful dealing with them all the
powers under the Code are necessary.

The generous policy of the Mysore Govt
has been hitherto to regard the Jaghirdars
for the time being as the Administrative
Head of the Jaghir his responsibility to
Govt for good administration being
enforced by Govt itself. I solicit a
continuance of the same kind and
uniform treatment in future. My wish
is that for all purposes the Jaghire may
be treated as a Revenue District and my
powers therein as a Deputy Commr may
be confirmed. I have been exercising these
powers under the saving clause of Section 2
of the Rev Code and I respectfully solicit
that the continuance and confirmation

of them may be ordered and if
necessary notified. My controlling
authority will as heretofore be the
Mysore Govt.

Apologising respectfully
for the delay in replying to this
reference I have the honour to be

Letter no 252 dated 31st
July 1891 to the Deputy Commr.
Kadur District

Letter from the Dy Commr.
of Kadur District, dated 25th
November 1891. No 442 regarding
the powers of the Sringeri Amil-
dar in revenue matters.

Order

The orders dated 31st July 1891
are clear. They directed that
pending the formal investi-
-ture of the Matt with the powers
of a Dy Commr under the last
proviso of section 99 of the
Land Revenue Code, the
Amildar of Sringeri may
continue to exercise all ^{the} powers
that Amildars usually
exercise elsewhere for the
collection of revenue, provided
similar powers have been
exercised by the Matt with
interruption during the
preceding the introduction
of the Land Revenue.
The Dy Commr is of
that the Sringeri Amil-
dar should be immediately
"with all the power exercised"

"by Amildars elsewhere", but does not consider it necessary or desirable that the Matt should at once be invested with powers under the last proviso of Section 99 of the Land Revenue Code. But there is no existing provision of law under which the Sringeri Amildar (who is only an agent of the Matt) can be invested with any powers, and it is only the Matt, the holder of the Jaghira villages, which can be invested with the powers under the last proviso of section 99 of the Land Revenue Code. Indeed the Amildari of Sringeri is an appointment which the Swami created a few years ago with the approval of Govt., and ~~there~~ before that, the Matt exercised its powers through agents without a ~~the~~ designation.

The papers forwarded by Dy Commr's letter of the 9th June 1890 show that the Matt's exercise of powers in the matter

of the cultivation of the lands in the Jaghira villages and of the collection of their revenue is almost coeval with the grant of the Jaghira itself; at any rate these powers have been exercised from a time long prior to the introduction of the Rent Recovery Rules of 1869. The preparation of a complete list of the powers so exercised by the Matt in the past and the formal investment of the Matt with them are all that is now required, under the last proviso of Section ⁹⁹ of the Land Revenue Code. Pending such formal investment, the Dy Commr will be requested to allow the head of the ^{Sringeri} Matt for the time being to exercise all Revenue powers hitherto exercised by him, and further to delegate to his Amildar at Sringeri such of ~~the~~ powers as are usual exercisable by the Dy of a Govt. Taluk, the acceptance of manto, the pay

occupation, the realization
of all items of Jaghire Revenue,
and the recovery of arrears
of Jaghire Revenue by all
processes prescribed in that
behalf (except arrest) and
as regards sales of land,
subject to the Dy Commr's
sanction.

3. In exercising these powers,
the provisions of the Land
Revenue Code and the rules
framed thereunder should
be followed in all cases
to which they may apply.
Authority to the above effect
has been communicated
to the Matt, and the Dy
Commr will see that proper
effect is given to it. Any
authority given by the Swami
to his Amildar should be
registered in the Dy Commr's

Office.

Letter No. 252, dated 31st July 1891, to the Deputy Commissioner, Kadur District.

Letter from the Deputy Commissioner of the Kadur District, dated 23rd November 1891,
No. 442, regarding the powers of the Sringeri Amildar in revenue matters.

No. 3210—R. F. 146-92, DATED BANGALORE, 30TH AUGUST 1892.

ORDER THEREON.—The orders dated 31st July 1891 are clear. They directed that pending the formal investiture of the Matt with the powers of a Deputy Commissioner under the last proviso of Section 99 of the Land Revenue Code, the Amildar of Sringeri may continue to exercise all the powers that Amildars usually exercise elsewhere for the collection of revenue, provided similar powers have been exercised by the Matt without interruption during the 30 years preceding the introduction of the Land Revenue Code. The Deputy Commissioner is of opinion that the Sringeri Amildar "should be immediately invested with all the powers exercised by Amildars elsewhere," but does not consider it necessary or desirable that the Matt should at once be invested with powers under the last proviso of Section 99 of the Land Revenue Code. But there is no existing provision of law under which the Sringeri Amildar, who is only an agent of the Matt can be invested with any powers, and it is only the Matt, the holder of the Jahgir villages, which can be invested with the powers under the last proviso of Section 99 of the Land Revenue Code. Indeed, the Amildari of Sringeri is an appointment which the Swami created a few years ago with the approval of Government, and before that, the Matt exercised its powers through agents without a specific designation.

2. The papers forwarded with the Deputy Commissioner's letter No. 105 of the 9th June 1890 clearly show that the Matt's exercise of powers in the matter of the cultivation of the lands in the Jahgir villages and of the collection of their revenue is almost coeval with the grant of the Jahgir itself; at any rate, these powers have been exercised from a time long prior to the introduction of the Rent Recovery Rules of 1869. The preparation of a complete list of the powers so exercised by the Matt in the past and the formal investment of the Matt with them are all that is now required under the last proviso of Section 99 of the Land Revenue Code. Pending such formal investment, the Deputy Commissioner will be requested to allow the head of the Sringeri Matt for the time being to exercise all Revenue powers hitherto exercised by him and further to delegate to his Amildar at Sringeri such of those powers as are usually exercisable by the Amildar of a Government Taluk, including the acceptance of relinquishments, the grant of land for occupation, the realization of all items of Jahgir revenue and the recovery of arrears of Jahgir revenue by all processes prescribed in that behalf (except arrest) and as regards sales of land, subject to the Deputy Commissioner's sanction.

3. In exercising these powers, the provisions of the Land Revenue Code and the rules framed thereunder should be followed in all cases to which they may apply. Authority to the above effect has been communicated to the Matt, and the Deputy Commissioner will see that proper effect is given to it. Any authority given by Swami to his Amildar should be registered in the Deputy Commissioner's Office.
